TOM LACHELIN**

For outstanding collection of vegetables

Prize Money was sponsored by MANOR MORTGAGES

The weather and conditions on the field created havoc. But in the Flower Tent all was serene. Competitors turned up trumps wearing wellies and soon even the inside was a sea of mud. Stewards were turning to and pushing out cars. This year we had an interesting display of Bonsai brought by Judy Whitchell, a possible class for next year. Children's entries were considered the best ever by Judge, Audrey Vivian. The number of entries remained static which was heartening. dt
