(Children's Entries)**

KIMBERLEY WILKES

BLACK MORE AND LANGDON VOUCHER –

Outstanding quality marrows

RICHARD CRANE

We didn't get the forecasted sunny weather but that didn't prevent an outstanding attendance. The judges were impressed by the quality of the fruit and vegetables. Many tomato plants were hit by the blight this year, which gave others a boost., a smaller entry but perfectly formed. Children's entries were outstanding this year. Mrs.Vivian judge commented on the quality. The gentlemen's section was well supported, with the rock cakes being the most popular class. Several men and teenagers competed in the cookery open classes and gave the stalwarts a run for their money. Well done! d
