**Outstanding quality collection
Of Vegetables.
Cauliflower alone
would've won a first prize.**

FRANK BATH

Well thank goodness we had such beautiful weather. Everyone had a fantastic afternoon. Previous weather wasn't particularly kind to the quality flowers whose blooms were stripped by the deluges. However the vegetables and fruit made up for it. Mr.Frank Bath doing exceedingly well this year with keen competition. Children's Entries were up and the judges praised them for the quality. Cookery was well supported. The Beetroot cake being a no-no! Congratulations to those who made theirs rise.! Handicraft was well supported this year with pottery coming into it's own. We were all impressed with the dragons so diverse and wicked faces. Well done all helpers and contributors. dt
