Comments:

Well deserved wins for Richard Crane this year. The quality of his veg and flowers, which were new to him, was superb.

The weather didn't know what it wanted to do at lunchtime but our Chairman Phil Heath asked us to bring sunshine, so we did!

Children's Judge, Audrey Vivian, all the way from Lyme Regis was very impressed. She said 2011 was the highest standard she has seen.

There were some interesting photographs and the artists turned up trumps.

It was good to see so many young families joining in and entering into the spirit. The Skyscrapers, Man in the Moon and Bride were splendid and very 'hands on'. The Heath family winning the Chairman's Special Prize!

The seasons are a bit cock-eyed so some classes were either over or not ready - still a well supported Show and lots of enthusiasm for 2012, our own Olympics! Best wishes, dt
